

Walking to Connect: a Legacy Labyrinth Project Fundraiser

Join us for a transformative journey as we walk to connect and raise vital funds for the [Legacy Labyrinth Project](#) (LLP). Our mission is to expand, enhance, and educate labyrinth enthusiasts worldwide, empowering intentional and sacred activism through collective walking in heart coherence.

Why Fundraise?

The Impact of Your Support:

Every dollar raised through Walking to Connect directly contributes to LLP's financial stability and enables us to:

- Expand our reach and impact, reaching more labyrinth enthusiasts worldwide.
- Enhance our educational programs and resources for labyrinth activists.
- Foster a community of intentional and sacred activists dedicated to positive change.

Together, we can harness the power of collective walking to create a brighter future for all. Join us in walking to connect with one another for a more compassionate humanity.
